Customer Spotlight

Happy Holidays!

Fra'Mani is Italian for "brothers' hands" and also conveys the sentiment "from our hands to your hands." Founded by renowned Chef Paul Bertolli in 2006, who is responsible for all product development, creation, plant operations, and quality assurance. Some of Chef Bertolli's accolades include: "Chef of the Year" by San Francisco Magazine, "Favorite Chef" by Wine Spectator, "Best Chef in California" by the James Beard Foundation Restaurant Award and in 2005 he was one of five nominees for "Outstanding Chef" in the United States, by the James Beard Foundation.

Available only during the Thanksgiving holiday, Fra'Mani items included: Turkey Gravy, Organic Cranberry Sauce, and Holiday Dressing with Sausage and Sage. The Holiday Dressing is made from Italian Ciabatta breadcubes moistened with a mixture of poultry both, butter, vegetables, and herbs. Sage-scented pork sausage provides a savory background to compliment your holiday turkey or ham. It is precooked with no preservatives. Just heat and serve!

Del Monaco Specialty Foods manufactures and packs a majority of Fra'Mani's retail meals and side dishes. All items are sold through major grocery retailers. The response has been incredible! This season the demand has far exceeded early projections. Fra'Mani Turkey Noodle Soup also continues to be a huge success.

We get a hundred year storm here in Morgan Hill every, well... you know. Our expert photographer and President, Vic Del Monaco, was outside building a snowman and managed to capture one of our employees wading through ankle deep snow. It's true, we weather all kinds of storms here at DSF in order to bring you the best food!

On a serious note, we want to extend our thanks and appreciation to all our customers and business partners. We had a hallmark year and look forward to new recipes and ideas and partnerships for 2012. From all of us, to all of you, happy holidays!
