

**For Immediate Release:**

**Del Monaco Specialty Foods Hires New Research & Development Chef**

**Morgan Hill, California — June 15, 2010** — Vic Del Monaco, President and C.E.O. of Del Monaco Specialty Foods, announced that Nancy Bailey has joined the company in the capacity of Research & Development Chef. Ms Bailey will be responsible for all aspects of the company's R&D Kitchen. This includes recipe development, product sourcing, nutritional standards and food quality. Ms. Bailey comes to Del Monaco Specialty Foods with a wide range of culinary experience. Prior to joining Del Monaco's Ms. Bailey worked as Culinary Programs Manager at Copia Center for Food in Napa Valley and as the Test Kitchen Manager at the Center for Culinary Development in San Francisco where she worked with major food manufactures and national restaurant chains in product development. Ms.Bailey has also spent time with Whole Foods Market's at various locations. Ms. Bailey is a graduate of the New England Culinary Institute and Golden Gate University.

Del Monaco Specialty Foods, located in Morgan Hill, California, is a custom food manufacturer of soups, sauces, pastas, butters and other gourmet products servicing retail grocery and restaurant chains located in the Western United States.
